

Discipleship Evaluation

This can be used one or two times a year to evaluate your discipleship. If your disciple is discipling others, you could both fill one out together and talk about your results.

Evaluating the quality of your discipleship (1 being lowest and 5 being highest)

- | | |
|--|-----------|
| 1. Feeding her the Word | 1 2 3 4 5 |
| 2. Training her in ministry | 1 2 3 4 5 |
| 3. Building a relationship with her | 1 2 3 4 5 |
| 4. Involving her in the church, ministry or organization | 1 2 3 4 5 |
| 5. Praying for her | 1 2 3 4 5 |

Evaluating the consistency of your discipleship

1. How many one-on-one discipleship meetings did you have (out of the total possible)? Did you regularly meet or was it sporadic?
2. Did you regularly do outreach/follow-up of visitors?
3. What were the reasons for any inconsistencies above? What were the barriers?

Evaluating the potential for discipleship among your disciples

1. Which of your disciples is presently discipling other women?
2. Of those who are not discipling others, what are the barriers?

3. What can you do to help them overcome the barriers?

4. Are there any changes you need to make in your discipleship choices?
